FAQ

FOOD VENDOR RFP:

1. Meals budget for 2022 calendar year was \$257, 000 with food and \$167, 000 without food.
2. On page 1 of RFP under **A. Scope of Work**, letter “c” states a total of no more than 800 meals. CORRECTION: Meal quantities are 213 (students and teachers) meals. Multiply by 2 (breakfast and lunch) total of 426 meals delivered daily.
3. Specified timeframe for cost reimbursements of the meals will be net 30.
4. There will be no initial disbursement of funds for startup.
5. Delivery locations are equipped with Hot Boxes to receive bulk delivered meals that will maintain the required meal temperature according to CACFP requirements and standards.
6. It is the contractor’s responsibility for load-in the bulk delivered meals as well as for temp testing of food delivered. YWCA Food Service Staff will be responsible for daily log of arriving food temperatures.
7. On page 8 under “**Responsibilities of the Contractor**” #10; In-kind contribution from your business is optional and not required.
8. YWCA does not have a list of required subcontractors to use.
9. Our contract suspension terms are reciprocal and you too can suspend the contract in writing within 10 days.
